Summary of Leave the World Behind by Rumaan Alam Jan 23 2022 A high-quality summary of Rumaan Alam's book *Leave the World Behind* including chapter details and analysis of the main themes of the original book. About the original book: Clay, Amanda, and their teenage children Rose and Archie are on vacation when *Leave the World Behind* begins. The family is going from New York to a well-appointed property on Long Island that they have rented for the week, and they are looking forward to getting away. Amanda and the kids stare at their phones while Clay drives, knowing that their connections will become poor or non-existent once they arrive at the house. The family relaxes by the pool and settles in for the first night and day, enjoying one other's company. Amanda, on the other hand, is troubled by the idea that someone is watching her, and on their second night together, after the kids have gone to bed, Amanda and Clay are startled by a knock at the door. The elderly Black couple that owns the rental house, G. H. and Ruth, are at the door. G. H. and Ruth have driven in from the Bronx, visibly terrified, after experiencing a city-wide blackout and knew they wouldn't be able to return.

Women of Vision: Nine Business Leaders in Conversation with Alam Srinivas Nov 20 2021 A 2012 McKinsey study found that women hold a mere 5 per cent of boardroom positions in Indian firms. If India has to emerge as a real economic superpower in the 21st century, she has to harness the growing women power, grant them a greater role in the nation-building process and chalk out a clear ballot-to-boardroom path for them. However, there are a few women who have fought against all odds to occupy the corner rooms in Indian companies. Women with Vision profiles successful businesswomen from diverse backgrounds: (1) World-class managers (Chanda Kochhar and Naina Lal Kidwai); (2) First-generation entrepreneurs (Kiran Mazumdar Shaw, Zia Mody and Ekta Kapoor) and (3) Inheritors (Anu Aga, Shobhana Bhartia, Priya Paul and Priti Paul). In a face-to-face interview with the author, each icon shares her journey of how she battled male-dominated hierarchies to shatter the glass ceiling and set up successful business empires through grit, determination, hard work and merit. Their stories, also narrated by their family members and colleagues, highlight their conflicts, challenges, perils and promises. These personalities can truly inspire a whole generation of women to fight their way through the corridors of corporate power while juggling their many responsibilities at home.

The Hussaini Alam House Apr 25 2022 When nine-year-old Ayman arrives in Hyderabad in the early 1950s to come and live at the Hussaini Alam House, she little realizes that the house, and its many inmates, will come to haunt her life and shape her destiny as she grows to become a woman. The house is ruled over by her grandfather, a dignified despot, whom everyone but Ayman, her mother and sister, call ‘Sarkar’ (master). Her mother, ‘the eternal rebel,’ is irreverent, progressive and a communist: a bomb waiting to explode. Ayman herself alternates between being the ‘ugly duckling’ of the house and its little princess. Huma Kidwai’s sensitive and vivid portraits of the characters who teem around the House, offer a window onto the customs and mores of a traditional Hyderabad Muslim family. Narrated by the forty-year-old Ayman as she recalls the events of her past, The Hussaini Alam House is an elegy to a vanished way of life, a lovesong to the people she has loved and lost, and a psychologically nuanced portrait of the women of the household as they tread a fine line between society’s expectations and their own yearning for freedom. Undecorate Oct 20 2021 Jettison the old rulebooks about home décor and “undecorate” your space. As the founder and creative director of DwellStudio—which is famous for its brightly colored, graphic textile designs for home furnishings—designer Christiane Lemieux challenges tradition in a quintessentially American way, championing a fresh, unconventional approach to creating a beautiful and comfortable home. Lemieux emboldens readers to push aside stuffy, professionally-designed décor, showing them instead how to infuse their own personality into their

home. Undecorate profiles twenty homes from all over the country, revealing their owners' love of imperfection and penchant for surprise and unusual juxtapositions while inspiring readers to follow their own whimsy and practicalities in their personal spaces. An anglophile creates an English manor in Hollywood, mixing British flea-market finds with midcentury furniture. A car fanatic turns a vintage Airstream trailer into a master bedroom and situates it in the middle of a vast industrial loft in downtown Chicago. A couple transforms a log house in Nashville, Tennessee, by blending their modern and eclectic styles with the home's rustic charm. Though the designs differ widely, the spaces all express an open-minded attitude. Some homes embrace their contexts, while others transcend them. All are shaped by instinct and imagination and share innovative ideas that readers can use to organically and elegantly create their home to match their lifestyle and tastes. Lemieux gets to the essence of the homeowners' distinctive styles, pinpointing the transformative ideas, thoughtful details, and useful solutions that make each home memorable. With more than 200 full-color photographs, Undecorate will both inspire and guide homeowners to a new outlook on home design.

Dunia Digital Pengajian Alam Melayu (Penerbit UM) Jul 29 2022 Dunia Digital Pengajian Alam Melayu merupakan kupasan dan perbincangan mengenai pembangunan portal Pengajian Alam Melayu di Institut Alam dan Tamadun Melayu (ATMA) dan The Royal Netherlands Institute of Southeast Asian and Caribbean Studies, (KITLV). ATMA telah membangunkan Portal Malaycivilization.com dan KITLV pula membangunkan Portal KITLV. Kedua-dua portal ini menyediakan akses kepada pengguna bagi mendapatkan bahan rujukan dan maklumat yang berkaitan dengan Pengajian Alam Melayu. Pengetahuan dan pemahaman terhadap Tamadun Melayu, Tamadun Belanda dan sejarah pembangunan intelektual di antara kedua-dua tamadun tersebut, dan Pengajian Alam Melayu telah memberikan inspirasi berguna dalam melihat proses pembangunan portal tersebut. Analisis perbandingan dilakukan melalui aspek sosiologikal dan teknikal.. Kedua-dua analisis ini juga membuka ruang yang luas dalam memahami teknik dan strategi yang digunakan oleh ATMA dan KITLV untuk membangunkan portal. Secara umumnya buku ini menyatukan kembali bidang sains dan kemanusiaan yang terpisah dan bergerak bersendirian.

Kedua-dua bidang ini telah menyumbang kepada pelbagai aspek kehidupan sama ada yang dapat dilihat secara fizikal atau yang berkaitan dengan masyarakat. Melalui buku ini, kedua-dua bidang tersebut digunakan sebagai idea utama untuk melihat Pengajian Alam Melayu di alam siber melalui pembangunan portal. Inilah sebenarnya yang menjadi tunjang kepada penulisan buku ini. Penulis juga berhasrat untuk mengembalikan semula zaman kegemilangan falsafah tabii yang suatu ketika dahulu menjadi medium utama untuk memahami manusia dan alam sekitarnya. Tanpa disangka, inisiatif untuk mengkaji dan memahami kedua-dua portal ini berdasarkan aspek sosiologikal dan teknikal telah menghasilkan beberapa penemuan berasaskan aspek kemanusiaan, sains sosial, sains komputer dan teknologi maklumat. Penemuan ini juga dilihat sebagai suatu inisiatif permulaan untuk menghidupkan kembali asas utama kepada sains dan kemanusiaan iaitu falsafah tabii.

Alam Halfa: A Study Of High Command May 27 2022 In recent years the army has adopted rigorous programs which evaluate the competence and leadership abilities of its combat leaders. For the first time, senior leaders are being formally evaluated as they command their units in the simulated combat environment provided by the Battle Combat Training Program (BCTP). Preparation for BCTP will require introspection and thought as the commander

develops his concept of the operation and establishes the vision to guide his organization. This paper can assist the commander in this effort by challenging his thought processes and by provoking him to find answers to the problems of command. It describes the Battle of Alam Halfa which was fought in North Africa in 1942. It is appropriate because its major participant, General Bernard Montgomery, had a uniquely "BCTP-type" mission. He was expected to assume command, imprint his methods and procedures on his army, and fight a major battle within a two-week period. The study includes an overview of the following: the situation in North Africa during the summer of 1942; the steps Montgomery took to prepare his force for battle; and the fighting itself. It concludes with an analysis of the battle using the AirLand Battle imperatives.
