CITYLITE: Progressnya Berapa Persen? Jul 29 2022 Sudah setahun April mengabdikan sebuah kantor konsultan yang bergerak di bidang konstruksi. Nyaman, minim persaingan, dan fleksibel. Suasana yang sulit dijumpai di lingkungan kerja kebanyakan. Namun, selalu ada harga yang harus dibayar. Seperti bobot pekerjaan yang bikin puyeng, deadline yang suka tiba-tiba, delegasi tugas tanpa instruksi detail, dan puluhan tender yang diikuti dalam waktu berdekatan. Seakan semuanya belum cukup, rasanya kepalanya mau pecah saat sebuah pertanyaan muncul ketika dia sedang mengerjakan tugas lain yang juga mendesak. Seringnya, pertanyaan itu meluncur dari seorang manajer teknik bernama Dewangga Bayuzena, laki-laki yang entah kenapa selalu bikin jantung para staf ketar-ketir dengan satu pertanyaan kebanggaannya ini: **Progressnya berapa persen?**

RTH 30 Persen Resolusi Kota Hijau Nov 01 2022 "Alam adalah aset berharga demi kelangsungan hidup manusia, maka kita harus menghargai dan menjaganya agar alam bersahabat dengan kita. Salah satu cara yang bisa kita tempuh untuk maksud tersebut adalah menciptakan ruang terbuka hijau (RTH) yang memadai, terutama di daerah perkotaan Indonesia yang cenderung mengingkari arti penting RTH demi alasan ekonomi. Ruang terbuka hijau yang cukup minimal 30% dari luas wilayah akan membantu kota menjadi lebih sejuk, terhindar dari bencana banjir, menurunkan pencemaran udara, dan turut serta meningkatkan pemanasan global."

Unika Dalam Wacana Publik: Gegara Pant(dem)ik: Terhimpit Unnik Melejit Jul 17 2021 Buku yang sedang anda baca ini juga merupakan bukti lain betapa civitas akademika Unika SOEGIJAPRANATA tidak pernah diam dalam keterbatasan yang ada melainkan justru kepanikan akan pandemik ini telah memunculkan semangat untuk semakin peduli dan terlibat dalam wacana publik. Dalam masa kurang dari 3,5 bulan atau sekitar 110 hari, tercatat lebih dari 50 artikel telah dibuat dan dimuat dalam berbagai media massa. Artinya hampir 2-3 hari sekali selalu muncul gagasan, pendapat dan ungkapan pemikiran yang dimuat dan bisa dibaca oleh publik. Tentu saja, bukan berarti Unika SOEGIJAPRANATA mengharapkan agar pandemik tidak berlaku sehingga bisa memaksa civitas akademika untuk tetap produktif menghasilkan karya, tetapi justru ini untuk menunjukkan semangat yang diwarisi dari nama yang digunakan oleh Lembaga ini. Civitas Akademika tidak boleh amem mlempep, tetapi justru harus bergerak aktif dan produktif pada saat yang lain sedang termangu-mangu oleh perubahan-perubahan dan keterpaksaan-keterpaksaan baru. Dalam himpitan pandemik Unika SOEGIJAPRANATA tetap harus melejit, bukan untuk meraih kejumawan, tetapi justru karena panggilan untuk berbuat lebih. Ungkapan saudara kita Muslim, Fastabiqul Khairot, berlomba-lomba dalam kebaikan, sesuai dengan semangat penebusan Yesus, karena kita sudah merasakan Kasih Yesus yang begitu besar dalam hidup ini, maka saatnya membagikan kasih kepada sesama dengan ilmu pengetahuan yang juga sudah dikaruniakan kepada kita.

Similar Languages, Varieties, and Dialects Dec 22 2021 Studying language variation requires comprehensive interdisciplinary knowledge and new computational tools. This essential reference introduces researchers and graduate students in computer science, linguistics, and NLP to the core topics in language variation and the computational methods applied to similar languages, varieties, and dialects.

The Sámi World Oct 20 2021 This book provides a comprehensive and multifaceted analysis of the Sámi society and its histories and people, offering valuable insights into how they live and see the world. The chapters examine a variety of social and cultural practices, and consideration is given to environment, legal and political conditions and power relations. The contributions by a range of experts of Sámi studies and Indigenous scholars are drawn from across the Sápmi region, which spans from central Norway and central Sweden across Finnish Lapland to the Kola Peninsula in Russia. Sámi perspectives, concepts and ways of knowing are foregrounded throughout the volume. The material connects with wider discussions within Indigenous studies and engages with current concerns relating to globalization, environmental and cultural change, Arctic politics, multiculturalism, postcolonialism and neoliberalism. The Sámi World will be of interest to scholars from a number of disciplines, including Indigenous studies, anthropology, sociology, geography, history and political science.

The Abu Bakr Cemetry at Giza Aug 25 2019 The present volume reflects the work of the joint expedition of Cairo University and Brown University to record and publish the tombs uncovered on behalf of Cairo University by Prof. Abdel-Moneim Abu Bakr from 1949 through 1953, but never published. The loss of field records and lack of a map of the site meant that new, salvage excavation had to be undertaken. A total of six seasons, from 2000-2006 resulted in the clearing, remapping, and recording of the monuments in the cemetery. Abu Bakr Cemetery is of particular interest because the majority of mastaba tombs belong to relatively low-ranking individuals. Thus they have the potential to shed light on the social status of Egypt's working classes.

Vegenage Apr 25 2022 The dragons have waited a thousand years for Vlianth to appear in the Magical System. Now he is here and the races of man have become more powerful than the dragons ever thought possible. The human race was nearly wiped from the Magical System as the dragons concentrated on them during the second Dragon Feast. After the second Dragon Feast, the races of man hunted the dragons until the dragons were forced into hiding. Now the third Dragon Feast has come and the dragons plan to concentrate their hunger on the magic using races of man. The Magical System has changed and this non stop fight for dominance sheds new light on the past. The dragons have read the prophecies written by Hornspire and have planned to kill Vlianth before he ever knew what was happening. The dragons call upon the lesser dragons and plan a three world united attack on all the races of man. Learn how the Staff of Barrier Breath came to be and witness its unlikely creator. Come to know that Oriapow and Cloakentrick were once allies. Join Vegenage, Farrah, Glimtron and his band of Glaborian dwarves along with the Erkensharie elves and the Ugorian elves as the dragons have set them up for a thousand years to fall into their trap. Not even the dragons could be prepared for all the twists, turns and unforeseen events that are about to happen. Be astonished as dragon turns on dragons. See Venomous and his awesome power as he feeds on dragons. The battles rage everywhere and Vegenage does all he can to protect Farrah from the haunting images pulling her away from him. While all of this is going on no one could be prepared for the demons who have been planning to walk the outer realms bringing chaos to all. Happenings take everyone by surprise and the brutal and bloody conflicts leave the races of man on a constant search for knowledge and the dragons uniting for their survival. You can not be prepared for what is about to happen as the adventurous journey that Vegenage is on continues. Be amazed and surprised as the phenomoni Vegenage continues.

People, Places, and Practices in the Arctic Sep 26 2019 This collection follows anthropological perspectives on peoples (Canadian Inuit, Norwegian Sámi, Yupit from Alaska, and Inuit from Greenland), places, and practices in the Circumpolar North from colonial times to our post-modern era. This volume brings together fresh perspectives on theoretical concepts, colonial/imperial descriptions, collaborative work of non-Indigenous and Indigenous researchers, as well as articles written by representatives of Indigenous cultures from an inside perspective. The scope of the book ranges from contributions based on unpublished primary sources, missionary journals, and fairly unknown early Indigenous sources and publications, to those based on more recent Indigenous testimonies and anthropological fieldwork, museum exhibitions, and (self)representations in the fields of fashion, marketing, and the arts. The aim of this volume is to explore the making of representations for and/or by Circumpolar North peoples. The authors follow what representations have been created in the past and in some cases continue to be created in the present, and the Indigenous employment of representations that has continuity with the past and also goes beyond "traditional" utilization. By studying these representations, we gain a better understanding of the dynamics of a society and its interaction with other cultures, notably in the context of the dominant culture's efforts to assimilate Indigenous people and erase their story. People's ideas about themselves and of "the Other" are never static, not even if they share the same cultural background. This is even more the case in the contact zone of the intercultural area. Images of "the Other" vary according to time and place, and perceptions of "others" are continuously rejustified from both sides in intercultural encounters. This volume has been prepared by the Research Group Circumpolar Cultures (RGCC) which is based in the Netherlands. Its members conduct research on social and cultural change focusing on topics that are of interest to the Indigenous peoples of the Arctic. The RGCC builds on a long tradition in Arctic studies in the Netherlands (Nico Tinbergen, Geert van den Steenhoven, Gert Nooter, and Jarich Oosten) and can rely on rich Arctic collections of artefacts and photographs in anthropological museums and extensive library collections. The expertise of the RGCC in Arctic studies is internationally acknowledged by academics as well as circumpolar peoples.

Ulster County, New York Probate Records Jun 15 2021 The core of the book consists of the contents of nearly 100 Bibles arranged alphabetically according to the surname of the book's owner, and, thereunder, in progressions of marriages, births, and deaths. In all, more than 1,000 mostly 18th- and 19th-century inhabitants of Suffolk and Nansemond are here rescued from obscurity and further made accessible in the index to Bible records at the back.
