Perbudakan Modern Anak Buah Kapal Ikan (ABKI) Asal Indonesia Aug 06 2020 Buku ini adalah mengenai kasus Tindak Pidana Perdagangan Orang (TPPO) terhadap Anak Buah Kapal Ikan (ABKI) asal Indonesia di kapal penangkap ikan berbendera asing. Buku ini mencoba menawarkan sebuah usulan model pemolisian alternatif yang dapat mengatasi persoalan TPPO ABKI di masa mendatang, yang dinamakan pemolisian inklusif. Kasus yang diangkat dalam buku ini adalah kasus PT Kartigo. Satu-satunya kasus yang hingga saat ini berhasil mendapat putusan pengadilan hingga para korban mendapatkan restitusi sesuai putusan pengadilan. Kasus ini dielaborasi sebagai argumen untuk merekomendasikan dimasukkannya kelompok ABKI dalam revisi UU No. 21/2007 tentang TPPO. Buku ini menyimpulkan bahwa konstruksi sosial Tindak Pidana Perdagangan Orang (TPPO) terhadap Anak Buah Kapal Ikan (ABKI) asal Indonesia terdiri dari 3 tingkatan analisis, yakni: mikro, mezzo dan makro. Ketiga tingkatan analisis inilah yang menjelaskan model pemolisian alternatif yang dinamakan pemolisian inklusif.

The Potent Dead May 03 2020 The dead are potent and omnipresent in modern Indonesia. Presidents and peasants alike meditate before sacred graves to exploit the power they confer, and mediums do good business curing the sick by interpreting the wishes of deceased forebears. Among non-Muslims there are ritual reburials of the bones of the dead in monuments both magnificent and modest. This is the first book to assess the indigenous systems of belief in the spirits of ancestors. A unique team of anthropologists, historians, and literary scholars from Europe, Australia, and North America demonstrate the continuing importance of the potent dead for understanding contemporary Indonesia. At the same time, they help us understand historic processes of conversion to Islam and Christianity by examining the continuing interactions of the spirit world with formal religion. *The Potent Dead* is a collection of studies by leading scholars of Indonesian culture, history, and anthropology that examines the death practices and rituals of tribal groups in Indonesia. It covers an important area of cultural and social history in Indonesia, with pieces linking the death practices of so-called tribal groups with historical changes in the country, from on-going changes in Islam to the roles of forms of modernity. A Return to the New Order? Sep 18 2021

The Politics of Protection Rackets in Post-New Order Indonesia Jan 11 2021 Gangs and militias have been a persistent feature of social and political life in Indonesia. During the authoritarian New Order regime they constituted part of a vast network of sub-contracted coercion and social control on behalf of the state. Indonesia's subsequent democratisation has seen gangs adapt to and take advantage of the changed political context. New types of populist street based organisations have emerged that combine predatory rent-seeking with claims of representing marginalised social and economic groups. Based on extensive fieldwork in Jakarta this book provides a comprehensive analysis of the changing relationship between gangs, militias and political power and authority in post-New Order Indonesia. It argues that gangs and militias have manufactured various types of legitimacy in consolidating localised territorial monopolies and protection economies. As mediators between the informal politics of the street and the world of formal politics they have become often influential brokers in Indonesia's decentralised electoral democracy. More than mere criminal extortion, it is argued that the protection racket as a social relation of coercion and domination remains a salient feature of Indonesia's post-authoritarian political landscape. This ground-breaking study will be of interest to students and scholars of Indonesian and Southeast Asian politics, political violence, gangs and urban politics.

Resistance on the National Stage Nov 08 2020 Resistance on the National Stage analyzes the ways in which, between 1985 and 1998, modern theater practitioners in Indonesia contributed to a rising movement of social protest against the long-governing New Order regime of President Suharto. It examines the work of an array of theater groups and networks from Jakarta, Bandung, and Yogyakarta that pioneered new forms of theater-making and new themes that were often presented more directly and critically than previous groups had dared to do. Michael H. Bodden looks at a wide range of case studies to show how theater contributed to and helped build the opposition. He also looks at how specific combinations of social groups created tensions and gave modern theater a special role in bridging social gaps and creating social networks that expanded the reach of the prodemocracy movement. Theater workers constructed new social networks by involving peasants, Muslim youth, industrial workers, and lower-middle-class slum dwellers in theater productions about their own lives. Such networking and resistance established theater as one significant arena in which the groundwork for the ouster of Suharto in May 1998, and the succeeding Reform era, was laid. Resistance on the National Stage will have broad appeal, not only for scholars of contemporary Indonesian culture and theater, but also for those interested in Indonesian history and politics, as well as scholars of postcolonial theater and culture.

Politics and the Media in Twenty-First Century Indonesia Oct 08 2020 Every political aspirant and activist knows the media are important. But there is little agreement on how an increasingly diversified media operate in post-authoritarian transitions and how they might promote, or impede, the pathways to a sustainable liberal democracy in the 21st century. This book examines the role of the media during Indonesia's longest experiment with democratisation. It addresses two important and related questions: how is the media being transformed, both in terms of its structure and content, by the changing political economy of Indonesia after the fall of Suharto? And what is the potential impact of this media in enabling or hampering the development of democracy in Indonesia? The book explores the relation between the working of democratisation, by examining the role of ethnic identity and nationalism; increasingly cheaper and diversified means of media production, challenging state monopolies of the media; the reality of personalised and globalised media; and the challenging of the connection between a free media and democracy by global capitalism and corporate control of the media. The book argues that the dominant forces transforming Indonesia today did not arise from the singular point of Suharto's resignation, but from a set of factors which are independent from, but linked to, Indonesia's internal politics and which shape its cultural industries.

From Monologue to Dialogue Jun 15 2021 From Monologue to Dialogue: Radio and Reform in Indonesia analyses how radio journalism since the late 1990s has been shaped by and contributed to Reformasi, or the ambition of democratizing Indonesian politics, economy and society. The book examines ideas and practices such as independent journalism, peace journalism, meta-journalism, virtual interactivity, talk-back radio and community radio, which have all been designed to renew audience interest in media and societal affairs. It pays special attention to radio programmes that enable hosts, experts, listeners and other participants to discuss and negotiate the very rules and boundaries of Indonesia's newly acquired media freedom. The author argues that these contemporary programmes provide dialogic alternatives to the official New Order discourse dominated by monologism.

Challenging Islamic Orthodoxy Sep 30 2022 This book is the first work that comprehensively presents the accounts of Lia Eden, a former flower arranger who claims to have received divine messages from the Archangel Gabriel and founded the divine Eden Kingdom in her house in Jakarta. This book places Lia Eden's prophetic trajectory in the context of diverse Indonesian spiritual and religious traditions, by which hundreds of others also claimed to have been commanded by God to lead people and to establish religious groups. This book offers a fresh approach towards the rich Indonesian religious and spiritual traditions with particular attention to the accounts of the emergence of indigenous prophets who founded some popular religions. It presents the history of prophetic tradition which remains alive in Indonesian society from the colonial to reform period. It also explores the ways in which these prophets rebelled against two hegemonies: colonial power in the past and Islamic orthodoxy in the present. The discussion of this

book focuses on Lia Eden including her biography, claims to prophethood and divinity, the development of her group Eden Kingdom, her challenge to Islamic orthodoxy under the banner of the MUI (Indonesian Ulama Council), her persecution by radical groups, her experiences in court trials and imprisonment, and public responses to her emergence. The discussion also covers other themes currently drawing public attention in Indonesia, such as pluralism, religious freedom, tolerance, discrimination against minorities, and secularisation.

Kalau pemimpin BNPT selanjutnya tidak seperti Suhardi, tentu akan menjadi masalah.” —H.R. Muhammad Syafi’i, S.H., M.Hum. “Teroris menganggap dirinya sebagai orang yang paling lurus akidahnya, paling benar jalan perjuangannya, dan paling besar keberaniannya. Oleh karena itu, menghadapi mereka dengan cara keangkuhan dan kekerasan hanya akan membuat mereka tidak mau mengalah dan sulit disadarkan. Pendekatan tanpa kekerasan inilah yang dilakukan Pak Suhardi Alius.” —Ali Imron

Aksara Presisi Membangun POLRI - Rajawali Pers Feb 09 2021 Buku ini merupakan sejumlah tulisan yang mulanya terserak dalam bentuk artikel (jurnal), makalah, dan laporan riset ini, pelan-pelan dapat kami kumpulkan dan dibuhul dalam satu buku, seperti yang ada di tangan pembaca saat ini. Ide menerbitkan buku ini tidak terlepas dari semangat yang akan mewarnai Polri ke depan, yakni Polri yang Presisi. Sebagaimana yang telah digagas oleh Bapak Kapolri Jenderal Pol. Sigit Listyo Prabowo, konsep Presisi hadir melalui penekanan pada upaya pendekatan pemolisian yang Prediktif, Responsibilitas, dan Transparansi Berkeadilan (yang disingkat menjadi Presisi). Pemolisian yang prediktif artinya mengedepankan kemampuan anggota Polri untuk memprediksikan situasi dan kondisi yang menjadi isu dan permasalahan serta potensi gangguan kamtibmas. Sementara itu, responsibilitas artinya mewujudkan anggota Polri yang cepat tanggap dan proaktif dalam memberikan pelayanan prima serta menciptakan keamanan dan ketertiban masyarakat. Adapun transparansi berkeadilan artinya mewujudkan Polri yang humanis, transparan, serta akuntabel dalam memberikan rasa keadilan dan kemudahan pengawasan oleh masyarakat. Berbagai tulisan di buku ini, yang dibagi menjadi tiga bagian yakni Bagian Prediktif, Bagian Responsibilitas, dan Bagian Transparansi Berkeadilan, secara garis besar mengandung tulisan-tulisan dengan semangat menghadirkan dan mewujudkan pemolisian yang prediktif, responsibilitas, dan transparansi berkeadilan (Presisi). Semoga buku ini dapat memberikan manfaat bagi khazanah keilmuan, khususnya untuk para pembaca di Indonesia.

Urban Geopolitics May 15 2021 In the last decade a new wave of urban research has emerged, putting comparative perspectives back on the urban studies agenda. However, this research is frequently based on similar case studies on a few selected cities in America and Europe and all too often focus on the abstract city level with marginal attention given to particular local contexts. Moving away from loosely defined urban theories and contexts, this book argues it is time to start learning from and compare across different ‘contested cities’. It questions the long-standing Euro-centric academic knowledge production that is prevalent in urban studies and planning research. This book brings together a diverse range of international case studies from Latin America, South and South East Asia, Eastern Europe, Africa and the Middle East to offer an in-depth understanding of the worldwide contested nature of cities in a wide range of local contexts. It suggests an urban ontology that moves beyond the urban ‘West’ and ‘North’ as well as adding a comparative-relational understanding of the contested nature that ‘Southern’ cities are developing. This timely contribution is essential reading for those working in the fields of human geography, urban studies, planning, politics, area studies and sociology.

Indonesian Top Secret Nov 01 2022 "Poso membara! Rentetan kekerasan bahkan terus bergulir pasca konflik massal 1998-2001. Peledakan bom, perampokan bersenjata, pembunuhan warga masyarakat dan aparat seakan tanpa ujung. Sekian banyak peristiwa kekerasan bernuansa teror terus terjadi tanpa dapat diungkap pelakunya. Sabtu, 29 Oktober 2005, Poso gempar lagi. Pagi itu ditemukan tiga tubuh siswi berseragam SMU bersimbah darah, tanpa kepala, tergeletak mengenaskan di jalan setapak Bukit Bambu. Tak lama kemudian, tiga kepala siswi tersebut ditemukan di dua tempat berbeda, disertai surat ancaman untuk mencari kepala-kepala lain. Bagi warga Kabupaten Poso khususnya, dan Propinsi Sulawesi Tengah pada umumnya, insiden itu menimbulkan klimaks ketidakpercayaan terhadap pemerintah, aparat keamanan, maupun penegak hukum. Takut dan putusasa menghinggap mereka. Di kancah nasional,

peristiwa mutilasi 3 siswi itu merebak menjadi isu panas di media massa, DPR, Pemerintah Pusat, Komnas HAM, bahkan di kalangan masyarakat internasional. Melalui Pansus Poso DPR RI meminta Menkopolkam dan sejumlah menteri terkait, termasuk Kapolri dan Panglima TNI, untuk menjelaskan situasi Poso. Sementara itu merebak isu bahwa semuanya itu hanya ""kerjaan orang-orang berseragam"". Mengingat kredibilitas Polri dan Pemerintah RI dipertaruhkan, Kapolri menugaskan Kabareskrim untuk mengungkap kasus ini dan menangkap pelakunya. Kabareskrim membentuk Satuan Tugas Khusus. Targetnya jelas: kapan pun kasus ini harus terungkap. Ternyata... ini hanya awal dari investigasi penuh risiko terhadap puncak gunung es kekerasan. Berhadapan dengan realita bongkahan gunung es yang tersembunyi di bawah permukaan, investigasi menjadi begitu penuh risiko. Nyawa para anggota Satgas menjadi taruhan, karena harus berhadapan dengan jaringan yang efektif sekali menggerakkan kaki tangannya untuk menebar maut. Buku ini saya harapkan dapat memotivasi seluruh penyidik untuk menuliskan pengalaman tugas mereka. Menarik dan banyak pembelajaran bagi anggota Polri. -- Komjen Polisi Drs. BAMBANG HENDARSO DANURI, MM; Kabareskrim Polri Saya sungguh menyambut baik penerbitan buku ini. Banyak pelajaran dan inspirasi yang amat bermanfaat. -- Brigjen Polisi Drs. BADRODIN HAITI; Kapolda Sulteng Saya merasa bangga dan menaruh penghargaan kepada penulis, yang di sela-sela kesibukannya melaksanakan tugas masih sempat berbagi pengalaman dinas selama melaksanakan Operasi Investigasi di Poso. -- Jenderal Polisi Drs. Buku ini menguraikan potensi ancaman bagi ketahanan nasional, baik dari aspek ideologi, politik, sosial budaya, ekonomi, pertahanan, maupun keamanan, serta dalam mewujudkan nation and state building yang kukuh. --- "Tidak banyak pejabat tinggi negara yang mahir menuangkan sari pengalamannya dalam bentuk tertulis. Pemahaman Membawa Bencana: Bunga Rampai Penanggulangan Terorisme Oct 27 2019 Terorisme muncul dengan beragam propaganda, manipulasi, bahkan berkedok agama. Motif ideologi dan kepentingan menyebabkan mereka rela membunuh manusia dengan biadab, memamerkan kebrutalan, dan tanpa hati nurani. Tak ada ajaran agama mana pun yang membenarkan paham mereka. Buku ini berisi catatan-catatan Suhardi Alius dalam menanggulangi terorisme. Semoga buku ini memberikan manfaat kepada para pembaca sehingga turut serta menanggulangi terorisme. --- "Fenomena terorisme sejak dua dasawarsa terakhir telah mengguncangkan
